

INVESTOR RELATIONS ACTIVITIES

The management of PIERER Mobility AG endeavors to practice a policy of providing transparent, swift and comprehensive information to, and communication with, capital market participants as well as the general public. Information is therefore provided at regular intervals on the economic position as well as on the future development of the PIERER Mobility Group. Continuous and personal dialog with investors, analysts, funds or financial institutions is promoted with specific roadshow formats and investor conferences. There is a particular focus on events in Austria, Switzerland and the United Kingdom. In May 2023, a two-day event for investors took place in Mattighofen and Munderfing. It started with a guided tour of the KTM Motohall before the official presentation and detailed talks with the management team. As well as visiting the production sites, the attendees also gained an insight into what daily life is like at the motorsport hub.

To step up the level of engagement with interested parties and potential investors from other countries, digital communication channels are increasingly being used. To ensure transparency, service and currency, all financial reports, press releases, ad-hoc announcements, voting rights communications and corporate presentations as well as information about events for investors are published on the company's website www.pierermobility.com so that they are made available to all shareholders at the same time.
